

Challenge 11 Comic Cuts

Create your own comic strip

Here's what you do

- Decide on your story, think of a beginning picture and an end picture.
- Next think of the best pictures to use for the middle of your story.
- Sketch all of your pictures onto scrap paper and make sure you are happy with the sequence.
- Then, using very simple drawings, fill in the boxes below. There are some icons on the bottom of the page that you might like to cut out and use on your comic strip.
