

# Challenge 9 You Have Mail!

Save money and have FUN creating your own cards

## You Have Mail!

Who doesn't like to get mail? Specially around Christmas and New Year of course.

How would it be to pay no money for your cards?

Show how much you loved your Christmas gifts with Thank You cards!

## Make Your Own Cards

Make (at least) 4 Christmas or New Year postcards out of old advertisement papers you probably will find lying around at home.

You can also mix them with pictures from **old magazines** (ask first before you cut them!) and your own drawings.

Send your amazing cards to friends and family.

Grandparents will love your homemade style.

## Be In to Win a Prize! Here's What You Do.

Before you send your cards to friends and family, don't forget to take a photo of them.

Send your photo to us before **Tuesday 17 January 2017** to [libraryevents@wdc.govt.nz](mailto:libraryevents@wdc.govt.nz) and type **Great Summer Challenge** in the subject line.

The best card will win a prize!
